

Celebrating the Reliability of Plywood **2016**

This edition of themed desktop calendars explores the versatile and reliable nature of Plywood.

Hand-drawn sketches depict the different uses of PLYWOOD, around the world. Plywood has been deployed for various functions, used in ship building, racing cars, designer furniture, mega-film sets, airplanes, luxury car interiors, designer door-frames and photographic frames.

JOIN US THIS YEAR IN CELEBRATING THE USE OF PLYWOOD TO CREATE ELEGANT DESIGNS AND PRODUCTS

If you would like this calendar to be sent to a friend, do let us know and send us the details. We thank all our well-wishers, Architects and Designers, who have supported us through the last 27years.

We appreciate your response and suggestions. Do email us at
help@sharonply.com

Sharon Plywoods strives to follow ecological principles. This calendar is printed on specially crafted recycled paper. You could recycle it yourself or post it back at the end of the year.

RENEW, RECYCLE, REUSE AND SAVE THE ENVIRONMENT

A softcopy of the calendar can be downloaded at www.sharonply.com
