Why
sovereign 710
Waterproof Ply?

Built to endure:

Tested to withstand **72 hours** in boiling water, Sovereign 710 comes at an affordable price.

That is why Architects, Interior designers and Carpenters prefer Cupboards and Kitchen Cabinets to be made from Sovereign 710

Waterproof Ply than other plywood or pre-fabricated options.

EXPLORE TIMELESS DESIGNS

Our curated collections
cater to every style and space:

Heritage : Vintage charm with carved details and rich finishes.

Deep Timber : Bold, dark and dramatic woodgrains for statement pieces.

Warm Wood : Soft, organic tones for cozy, inviting spaces.

Minimalist : Clean lines and clutter-free simplicity.

Contemporary : Edgy, modern aesthetics with mixed materials.

Smart Storage : Innovative solutions for compact homes.

Use these designs as direct templates for carpenters, or inspiration to customise your unique cupboards.

WATERPROOF PLY

FROM

heritage

Old-World Charm Meets
Understated Elegance

Victorian Vista:

A timeless, traditional cupboard with optional drawers in the center for versatile storage.

High Tide:

Customizable ceiling-to-floor units designed to fit your space. Multi-level configurations add visual interest.

heritage

H3

Parisian Sunlight:

Full-length wardrobes inspired by the grandeur of French chateaus, blending sophistication with functionality.

H4

Moroccan Classic:

Designed to complement rooms with wooden accents. Features mirrors and glass shutters for a luxurious, integrated look.

deep timber

Rich, Dark Wood Tones
for a Grounded Aesthetic

Full-Height Wardrobe with Alcove:

Includes a dedicated workspace alcove for a desk, books, or clothes for the week. Long handles and small mesh vents ensure practicality.

Rosewood Sliding Shutters:

Sleek floor-to-ceiling shutters with hidden handles, creating the illusion of a seamless wooden wall.

deep timber

Quick Dresser:

A practical "show window" for daily outfits, with hidden compartments for folded clothes.

Luxury Dark Wood & Gold:

A sophisticated combination with a well-lit, open section for easy access to frequently used items.

warm wood

Light, Natural Wood Tones
for Cozy Sophistication

White Magic:

Combines light wood with white finishes for an ethereal, airy ambiance. Sliding doors and tailored storage maximize space.

Clutter Cutter:

Full-height cupboards paired with smaller units, side stands, and alcoves tailored to your room's layout.

warm wood

Structured Style:

Designed for the highly organized. Includes two sliders per unit, with one section left open for next-day outfits. Stores accessories, including footwear.

Slide Away:

Ceiling-to-floor sliding doors completely conceal contents. Internal drawers & accessory shelves keep everything neatly organized.

minimalist

Sleek, Functional Design
with Clean Lines

Dark Secret:

Dark-grain sliding doors hide contents entirely, with no handles for a minimalist wall-like appearance.

Pastel Pizzazz:

Matte or glossy pastel shades with no protruding handles, creating a clean, uncluttered look.

minimalist

Sea-Through:

Simple translucent glass sliders act as room dividers while allowing easy visibility of stored items.

Cupboard-Less:

Ultra-modern units with open spaces for last-minute outfit selections, ideal for quick morning routines.

contemporary

Modern Trends in Durable Plywood

Clean Board:

Matte laminate ceiling-to-floor units with recessed handles for a streamlined, calming aesthetic.

Cold and Warm:

Combines metallic finishes with warm wood bases for an earth-sky contrast. Includes open shelves for quick-access clothing.

contemporary

Textured Harmony:

Slate textures meet wood in the middle for a tactile sliding surface. Features a mirrored alcove and drawers for dressing essentials.

Flanked and Placid:

Bedside recesses with top lighting and reading lamps create a serene and functional ambience.

smart storage

Space-Saving Solutions with
Multifunctional Design

Organised Transparency:

Ideal for meticulous organisation. Transparent/translucent glass sliders let you see contents at a glance, with covered lower drawers for footwear.

Mini Office Integration:

A narrow desk parallel to the bed doubles as a workstation. Opposite wall features storage with alcoves for small essentials.

smart storage

Dual-Wall Storage:

Two walls dedicated to storage, with a recessed bed for reading lamps and quick-access items. Handleless magnetic shutters enhance serenity.

Three-Sided Bed Frame:

Recessed bed with reading lamps and a freestanding cupboard for daily essentials. Includes a showcase for prized possessions.
